MARKET SEGMENTS

Mechanical engineering and
metal production

LPG
and Natural Gas

Combustion
and Metallurgy

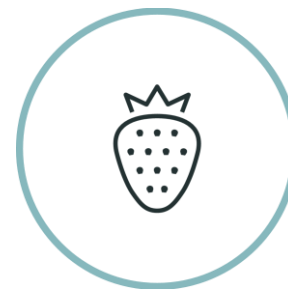

Chemical, Petrolchemical
e Pharmaceutical

Environment and
Research

Technical gases

Food & Beverage

Healthcare

Other

TECHNICAL GASES

- Industrial
- Refrigerant
- Food grade
- Specialty
- Medical

NATURAL GAS, LPG and BIOMETHANE

- LPG and methane distribution and sale
- Production and supply of thermal, cooling and electrical energy
- Gaseous and liquid biomethane production plants

ENGINEERING

- Air Separation Plant, compressors (reciprocating for process gases and air, standard and for PET bottle blowing), natural gas treatment and liquefaction plants
- Industrial combustion plants and CO₂ and biogas plants
- Global maintenance and assistance

HEALTHCARE

- Medical gases
- Homecare
- Oxygen therapy
- Sleep therapy
- Customized management services and solutions
- Medical devices for surgical specialties
- Cryobanks

A photograph of three industrial workers in a factory setting. They are wearing dark blue work clothes, white hard hats, and ear protection. They are working on large, blue industrial machinery with orange circular components. One worker is in the foreground, another is kneeling, and a third is standing. The background shows a large industrial door and other equipment. A large, semi-transparent blue circle is overlaid on the right side of the image, containing the text "RELIABILITY PROFESSIONALITY AND EXPERTISE".
